

YOU CAN SAY "NO TO OBAMACARE"

You MUST Take Action TODAY!
**Congress will vote on Health Care in
September**

- Oppose Federal "Health Care Reform" that will:**
- Ration or deny care to anyone - especially older people and those with disabilities
 - Mandate taxpayer funding of abortion
 - Mandate abortion coverage

So-called "Federal Health Care Reform" (Obamacare) will dramatically increase the number of abortions and force you (as a taxpayer) to pay for them. Your own healthcare will be rationed or could be denied altogether under this plan. The most vulnerable among us – the unborn, older persons and those with disabilities – are at extreme risk under Obamacare.

A vote is expected in Congress in September. In addition to completing this petition (see reverse side), please call and email your representatives and urge them to vote against health care reform legislation. If you can, attend any town hall meetings or listening session your representatives may be holding during the August recess. Arrive early and ask to be heard!

Please sign this petition so your Member of Congress hears your voice loud and clear **SAYING NO TO OBAMACARE!** Urge your family and friends to also sign the petition.
