## Wisconsin Right to Life Political Action Committee Endorses Sean Duffy in 7th Congressional District Race

Thursday, May 27, 2010

The Wisconsin Right to Life Political Action Committee (WRTL/PAC) today announced its endorsement of Sean Duffy in the 7th Congressional District race.

WRTL/PAC Chair Bonnie Pfaff noted that the endorsement is based on Duffy's strong commitment to the protection of all human life.

"We are extremely proud to announce our endorsement of Sean Duffy. His opposition to the use of taxpayer dollars to pay for abortions, his firm belief that parents should be informed if their minor daughters are seeking abortions, his opposition to legal abortion on demand and his desire to protect human life at all stages of development are positions shared by the vast majority of Wisconsin citizens," said Pfaff. "We believe the election of Sean Duffy to the U.S. House of Representatives will greatly contribute to the building of a culture of life in our nation where every member of the human family is welcomed and cherished."
