Wednesday, June 2 , 2010

The Wisconsin Right to Life Political Action Committee (WRTL/PAC) today announced its endorsement of Dan Kapanke in the 3rd Congressional District race.

In announcing the endorsement, WRTL/PAC Chair Bonnie Pfaff said, "Throughout his distinguished service in the Wisconsin State Senate, Dan Kapanke has demonstrated a strong and unwavering commitment to the protection of human life. We deeply appreciate his opposition to the use of taxpayer dollars to pay for abortions; his belief that parents should be informed if their minor daughters are seeking abortions and his profound respect for human life at all stages."

"We are extremely proud to endorse Dan Kapanke, an individual who will greatly contribute to the building of a culture of life in our nation where every member of the human family is welcomed and protected in law."
