## Wisconsin Right to Life Political Action Committee Endorses Ron Johnson for U.S. Senate

Thursday, June 17, 2010

The Wisconsin Right to Life Political Action Committee (WRTL/PAC) is today announcing its endorsement of Ron Johnson in the race for U.S. Senate.

According to WRTL/PAC Chair Bonnie Pfaff, the endorsement of Johnson is based on his strong belief in the sanctity of human life, his exceptional leadership background and his outstanding credibility.

"Ron Johnson is an individual who believes that protecting the most vulnerable members of the human family is the right thing to do," said Pfaff. "He will work in Congress to help create a culture of life, where every human being is welcomed and protected."

"We believe Ron Johnson is an individual who has the values, background and experience to serve all the citizens of Wisconsin in an exceptional manner. The Wisconsin Right to Life Political Action Committee is very proud to make this endorsement," said Pfaff.
